19. YASHADA reserves the right to accept / reject any offer or cancel the tender at any stage, without giving any reason thereof.
20. All disputes will be subject to jurisdiction of YASHADA, Pune.

SPECIAL INSTRUCTIONS TO TENDERERS

1. The tenderer should study all the tender documents carefully and understand the tender contract conditions and specifications etc. before quoting. If there are any doubts, they should get clarifications in writing but this shall not be a justification for submission of late tender or extension of opening date.
2. The tenderer must obtain for himself on his own responsibility and at his own expense, all the information which may be necessary for the purpose of filling this tender and for entering into a contract for execution of the same and visit the site and acquaint himself with the site conditions before quoting.
3. The tenderers are requested to visit the site of works familiarize themselves with the locality and ascertain the availability and cost of all the materials and labour and any other information necessary for quoting for the work. No excuse regarding lack of information or details, affecting the tender cost shall be entertained after receipt of tender and the tenderer cost shall be deemed to have full knowledge of all relevant details.
4. The tender form must be filled in English and all entries must be hand written. If any of the document is missing or unsigned the tender shall be considered invalid.
5. All erasures and alterations while filling the tender must be attested by the initials of the tenderer. Overwriting of figures is not permitted. Failure to comply with either of these conditions will render the tender void. No advice or any change in the rate or conditions after sending of the tender will be entertained.
6. The tenderer should quote his rates for all the tender schedules. All the rates given in the tender schedule should be expressed both in figures and in words. If on check differences are found between the rates given by the tenderer in words and figures or in the amounts.
 - a. Where there is difference between the rates in figures and in words, the rates which correspond to the amount worked out by the tenderer shall be taken as correct.
 - b. Where the amount of an item is not worked out by the tenderer or it does not correspond with the rates written either in figures or in words then the rate quoted by the tenderer in words shall be taken as correct.

Contractor

Corrections

HoD Estate

c. Where the rates quoted by the tenderer in figures and in words tallies but the amount is not worked out correctly the rate quoted by the tenderer shall be taken as correct and not the amount.

8. The quoted rates in Schedule – ‘B’ shall be valid for acceptance by the Owner for 90 (Ninety) days from the date of opening of the Tenders.

9. Tenderer shall quote his offer cost at Schedule – ‘B’ sheet. The offer shall be inclusive of all admissible taxes, levies, duties & transport excluding GST. The GST rates should be shown separately. The rates change in GST shall be applicable from time to time. The tender shall be submitted along with the listed documents, papers and copies of certificates as per item 4 mentioned in tender notice.

10. Within 7 days of the receipt of the information from the Owner of the acceptance of tender the successful tenderer shall be bound to implement the contract by signing an agreement in accordance with the Agreement and Conditions of Contract attached with the tender.

11. No unauthorized alteration should be made in the format of tender document and if any such alteration is found or if these instructions are not fully complied with the Tender may be rejected. Any alteration if required should be made in the tender substitute request form.

12. The owner do not bind themselves the right to accept the lowest or any tender and reserve to themselves the right to accept or reject any or all the tenders either in whole or in part without assigning any reason for doing so.

13. The tender is required to check the number of the pages and should any be found missing or in duplicate or the figures or writing indistinct he must inform the owner at once and have the same clarified.
