The total value of this order is limited to Rs. 2,64,600/- (i.e. Rs. Two lakh sixty four thousand six hundred Rs. only).

3. Technical Specification:-

For All items Technical specification is as per Electric Works PWD CSR or Specification for Electrical Work Department Handbook and Other specifications of Divisions or as directed by Engineer In charge.

4. Security Deposit:

Amount equal to 5% of Accepted tender value shall be deposited as security deposit after receiving of Letter of Acceptance (LoA) of tender in the form of DD drawn on any Nationalized/ scheduled Bank in favour of Director General YASHADA within 10 days of receipt of LoA. If tenders fails to pay S.D. within time, the LoA will be cancelled. S.D. shall be refunded after one year of finalization of Final bill.

5. Payment:

All payments shall be made in Indian currency. The payment will be released on satisfactorily completion of work duly certified by Engineer In charge No payment will be made in advance.

6. Defect Liability Period:

Defect liability period is of one year. Anything found not in order shall be made good by the Contractor.

7. Penalty:

Penalty @ 1% of accepted tender value shall be levied for delayed period in days over the agreed time limit of work order. The penalty shall be deducted from the contractor's bill if the work is not completed in time subject to a maximum of 10% of the values of the work order.

8. Completion Period:-

The period of completion of this work shall be **60 (Sixty)** days from the date of issue of the work order.

9. Validity:

The validity of the offer under this tender shall be up-to 90 days.

10. This work cannot be subletted to any other agency.
11. While executing the work scaffolding, civil works or any supporting work, if need arises shall be done by contractor at his own cast.
12. The material storage space, supply of water and use of electric energy required for work shall be made available by YASHADA. No. T & P or labour vehicle will be provided by YASHADA.
13. The contractor shall not be entitled to any claim for extra executed work due to change or alteration unless the same has been ordered in writing by YASHADA or directed by Engineer in Charge. For extra Items rate will be considered in PWD's current schedule of rates Electrical. If not in CSR will be finalized by mutually agreed rates.
14. The authorized representatives of the YASHADA and contractor should take the measurements of work completed jointly. The representative of YASHADA, will give intimation a week in advance to the contractor before recording the measurement. If contractor fails to join as per intimation measurements will be recorded by YASHADA and the contractor shall have to accept these measurement as correct and binding on him.
15. All material and works for which payment is made in part or full shall become the sole property of the YASHADA. But this provision shall not relieve the contractor of his responsibility for the care and protection at his own cost or of his liability to make good the damage if any unless and until whole work is completed and handed over to the YASHADA.

16. Bill:

The bill in triplicate for the work carried out should be submitted after measurements are recorded to HoD Estate or Engineer In Charge for further processing the bill.

17. Due to exigency of work if any extra items not covered in the schedule become inevitable, prior permission of HoD, Estate is to be obtained before taking up such items by the contractor. The cost thereof will be decided by the HoD Estate, YASHADA & shall be binding. However, any

extra quantities of items in the Schedule- B need to be executed, same shall be paid at the agreed rate of tender.

18. Any amount or amounts due on account of damages or compensation for default or breach of contract by the contractor shall be recovered by YASHADA from the bills / SD payable to him.
19. In case of any loss or accident to Contractor's labour or outsiders including YASHADA employees during the execution of work occurs due to the fault of the contractor, he shall have to pay compensation as per Workmen's Compensation Act & Rules there under and for it YASHADA shall not be responsible .
20. Any loss or damage suffered by YASHADA's property during the execution of the work shall be recovered from the contractor.
21. If it is found that the quality of supply/ work as well as performance of work is found unsatisfactory, the contractor is liable for termination of the contract and YASHADA shall get the work done by other Contractor, at the risk & cost of this contractor. The security deposit paid in such cases shall be forfeited.
22. If the contractor fails to execute the work in time, the same will be got done through other agency at the contractor's risk and cost.
23. Any amount payable by the contractor to YASHADA shall be recovered from the contractor's bill.
24. Notwithstanding anything contained herein Govt. of Maharashtra and PWD's standard terms and condition, tender documents etc. shall be applicable and form part of this order except price variation clause.
25. All dispute, difference arising out of and in connection with this tender, shall be subject to the jurisdiction of YASHADA Pune.
26. Please note that the tenderer/bidder only should quote their offer in schedule 'B' in the form of % above /below the estimated cost in figure and words.
27. It is presumed that the tenderer has thoroughly inspected the site and all documents prior to submitting the tender.
28. Earnest money of the unsuccessful tenderers will be refunded on their application only after an intimation of rejection of their tender is sent to them or on the expiry of the validity period whichever is earlier.
29. EMD of the successful tenderers will be converted into SD.
30. **Agreement:**
